## **COVID-19 UPDATE** **Thursday 17/03/2022**

Dear Parents and Caregivers,

The College continues to closely monitor the emergence of COVID-19 cases and is working to ensure that our response is absolutely in line with the latest guidelines.

At this point we are responding to Health Guidelines updated/issued yesterday – Wednesday, 16<sup>th</sup> of March 2022.

I need to advise you that as of today (17/3/2022) we have been notified of some further cases of COVID-19 arising within the student body. In addition, we have some staff that are awaiting the results of testing.

My intention is to keep the school operating as normal for as long as possible. Please be aware, however, that this may involve changing some routines, including the option of combining classes. We will strive to ensure that all students receive positive and meaningful work to complete.

I am also sending home today some additional R.A.T. kits for your use. If anyone in the family tests positive then Health regulations require 7 days isolation for the whole family. (Detailed information can be found on the NSW Government website.)

My sincere apologies for any inconvenience that all this may cause but we are required to ensure that we meet our obligations in line with expectations.

Yours sincerely,

David Fox  
**Principal**
