10TH April 2018

Dear Parents/Guardians,

It's hard to believe that this is the final information letter for our first term of operation. On behalf of the staff, I would like to extend our sincere thanks for all of your support and for positive feedback that we have received over the last few weeks. It is indeed a privilege for us to have been entrusted with the educational care of your children. Rest assured that we will always be working on avenues by which we can enhance the work that we do for our students, your children. We feel God's presence every day in our school and we know that He will continue to provide the inspiration and wisdom to guide the directions we pursue.

I would also like to thank those parents who gave of their time at our first working bee last Saturday. A great deal was achieved, all of which will benefit the students and the growth of our school.

Please remember, that we always need people willing to cover books as our supply of class readers, library books and text books continues to expand. Any work done in this regard counts towards the parent contribution hours and so results in a working bee levy fee reduction.

INVITATION:

As it is the end of term, the staff thought that you might like to view some of your child's school books. The children's books will be available in the dining area for you to look through on **Thursday afternoon after school**. If you have 5 minutes extra to spare, you might enjoy this opportunity.

LATENESS TO SCHOOL:

Children arriving late to school has become a concern. We would like to have all students in attendance for our morning Chapel session as we see this as being a very important part of our day. From the start of next term, students will be called to assemble for Chapel at 8:55 am. We hope that all children will be in attendance from that time. We understand that an occasional late morning can be unavoidable, but we would appreciate your support in this matter.

JUST A REMINDER:

Absences from school need to be explained in all cases. Please contact the school via note or phone call to advise the reason for any absence.

SCHOOL RESUMES FOR OUR STUDENTS ON MONDAY, APRIL 30TH

In closing, thank you again for a great term. The staff and I look forward to seeing the children safely return to us on April 30th.

The words of Romans 15:13 (NIV) come to mind at this time.

May "The God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope..."

Yours in Christ,

David Fox
