Dear Parents/Guardians,

1.) Attachments:

I have attached two items to this newsletter.

The first is a copy of my report from the most recent church newsletter as some families may not be able to access the newsletter of LifeSource Church.

The second is an information brochure which outlines a short course available in late August and early September – “Building Families that thrive!” Contact details are shown on the document.

2.) School Fees:

Due to some technical difficulties it has not been possible to set up the process for the automatic payment of fees via Lighthouse Christian College in Melbourne.

The best way to now pay fees is through the EFTpos machine in the church/school office. Mrs Stone, our Office Manager, and Pastor Steve are happy to provide any help or information you may require.

Remember all fees need to be paid by October.

3.) Term Dates:

The final day of attendance for students this term is Friday 28th September.

4.) Term 3 Curriculum Information:

We thought you might like to know about some of the themes and topic areas that the children will be studying this term.
