4TH April 2018

Dear Parents/Guardians,

Working Bee Reminder

This is just a quick reminder that our first Working Bee for the year is being held this **Saturday, April 7th**, commencing at **9am** and concluding at **1pm**.

I have attached to this note details of the College's Working Bee program that was outlined to families earlier in the year. Please take the time to consider how you would like to contribute in this area.

Also, just a reminder please, that there are still some **Enrolment Fees** of \$200 that are overdue for payment. We would appreciate these being paid to the College **before the end of this term**.

Finally, I met with a representative from Lowes last week who has advised that most, to all, of our uniform items should be in stock in the next 4-5 weeks. Please be patient as we are a new school and Lowes has been working very hard to ensure the supply chain.

Yours in Christ,

David Fox
Principal
