Faith | Learn | Lead

27 Sept 2018

Dear Parents/Guardians,

What a wonderful term of learning and fun! The staff and I have thoroughly enjoyed teaching and observing the students of Verity Christian College in their learning and growing into fine young people of Christ this term. The term has flown with a flurry of activity. We have enjoyed our Creation Ark Van visit, our Pioneer Park excursion and our Australian reptiles visit. We have enjoyed our ever growing knowledge of German and Music, as well as our STEM, Maths, Art and English activities. We look forward to another fantastic term after the students have a well-earned break.

School Holiday Period

Term 3 at Verity College will end for students tomorrow Friday September 28th.

Term 4 commences for our students on Monday October 15th and continues through to December 21st.

Fees

Just a friendly reminder about school fees. All fees are due in October. If the fees are not completely paid in October the Pioneer discount unfortunately ceases, hence discounts unfortunately cease. If you have any questions don't hesitate to ask me or Pastor Steve or Mrs Stone. We are really happy to help where we can.

Student Absences

Again just a reminder to please advise the College of the reason as to why your child might be unable to attend school. A short note upon their return, or a phone call, is all that's required. Any outstanding notes or phone calls for past absences to wrap up Term 3 would be greatly appreciated.

Enrolments for 2019

The school is currently inviting expressions of interest from families seeking to enroll their children at the College next year. Enrolments can be sought for placement in Kindergarten through to year 6. If you know of a family who might be seeking a placement for next year, please encourage them to make contact with me at the school, or to download an Expression of Interest form from our Website.

Working Bee

If anyone would still like to complete the working bee option to reduce fees, there are still books to cover with contact over the term break, and also the option of gardening. There is always weeding to enjoy!

Hats

The hotter weather will quickly be upon us! Please send your children along with a hat to wear during outside activities and play time. School hats have been arranged but are taking longer than expected but in the meantime, if you are buying a hat for school, a black bucket hat would be great please.

School Photos

School photos have been planned, but have been postponed due to a number of students travelling away. Look out for more information early Term 4.

Melbourne Visitors

We have had the great pleasure of finishing our term off with some very special visitors from Melbourne. We are pleased to warmly welcome Mr Jacob Mathews, Principal of Lighthouse Christian College and our Executive Principal. We also warmly welcome his son Mr Joshua Mathews to visit us. They have come to observe and encourage staff and students alike. It has been a blessing to have them join in percussion, STEM and German activities. We thank them for their help, their enthusiasm, their delight and care of our students and indeed our school at Verity Christian College.

We praise God for His goodness to us, as we complete another fantastic term. May God bless you and keep you safe through- out the school holidays. We look forward to seeing you all refreshed and raring to go for a full and fun Term 4.

Yours in Christ

David Fox
Principal
