NEWS

23 March 2020

Dear Parents,

We are certainly living in challenging times and, as they say, together as a community we are navigating uncharted waters.

Guidance from health authorities and our politicians is changing daily so it has been difficult to formulate our response to the community guidelines. As of tomorrow we are told:

- 1) The College will remain open however, our Premier has recommended that children be kept at home until further notice.
- 2) The Staff will endeavour to send work through to each child via email. The students must work on any material that is sent home.
- 3) If your child is unwell, they must be kept home until symptoms disappear.
- 4) If there is someone in the household whose health is compromised due to other causes, then your child should also be kept at home.

Thank you for your understanding. We are trying to meet our community responsibilities by taking these actions.

Unfortunately, there is no precise timeframe on this set of responses.

“Be strong and courageous. Do not be terrified; do not be discouraged, for the LORD your God will be with you wherever you go.” ... Joshua 1:9

Kind Regards

Mr David Fox

Principal

Verity Christian College.
