27<sup>th</sup> June 2018

Dear Parents/Guardians,

Just one more piece of correspondence for the week. I forgot to advise you that on **Thursday of this week** we will be providing a **BBQ lunch for the students**. Our senior students, under supervision, will be planning for, and cooking the lunch as part of a maths and technology exercise.

We will also provide each student with a fruit box drink and a paddle pop. Therefore, there is only a need for you to send along sufficient food for recess snacks.

We also are happy to have welcomed a new student to the school this week. Zachary has just arrived from the Philippines and has joined our Year 4 group. We pray that Zachary and his family will enjoy being a part of the VCC community.

Yours in Christ

David Fox  
Principal
