6 December 2018

Dear Parents/Guardians,

I am writing this following on from a visit by a Christian group from Sydney who shared Bible stories through song and performances with our students.

What a wonderful time we had as the children joined with the performers in song and as they were reminded of the true meaning of Christmas. At the conclusion of the presentation our students offered thanks to the group by singing and performing two of their own songs.

It was truly a special time of fellowship as our chapel was filled with the warmth and joy that stemmed from different generations of people from vastly different backgrounds sharing their love of God. It was a genuinely uplifting time for our students and guests.

Presentation Evening

A reminder that our first Annual Ceremony of Celebration and Recognition is on **next Monday evening commencing at 6pm**. The College will be making awards to all students, along with a number of special awards which reflect the values of our College.

The ceremony will conclude by about 7:15pm to be followed by a light buffet dinner and the cutting of the Graduation cake.

All family members and friends are invited to attend.

Students are expected to wear full school uniform for this most important event on our school calendar.

School Fees

I am very pleased to be able to advise that, due to the success of the College's operation this year, we have been able to revise our fee structure for 2019. This will significantly improve the affordability of a quality Christian education at the College. Please see the attached document for details.

Enrolments for 2019

We are still very happy to accept new enrolments for 2019 so please advise any families that you may know who are still considering a Christian –focused environment for their child’s education.

We continue to go forward with the vision.

I am excited to be able to share the news of our new building project which will begin shortly. Two new classrooms are to be constructed and will be ready for occupation from the start of the 2019 school year.

Library Books

We would appreciate the return of all library books by Monday or Tuesday ((11th). If your child has any books outstanding you will find a letter attached to this Newsletter.

Reports

Student reports will be available next week.

School Photos

I have seen some of the early proofs of the College photographs and I think everyone should be pleased with their final package. We have tried to be a little different to the traditional school photos. These should be made available by the end of term.

School Holiday Period

Term 4 at Verity College will end for students Friday the 14th of December and resumes for all students on Monday the 28th of January 2019.

As this is the final Newsletter for the year, I would like to wish all of our students, families and friends a festive season that is safe and full of love and joy.

“The LORD bless you and keep you; the LORD make his face shine on you and be gracious to you; the LORD turn his face toward you and give you peace.”

Numbers 6:24

Yours in Christ
