13th November 2018

Dear Parents/Guardians,

It's hard to believe that we are now half way through our final term for 2018. We have seen the growth of a fully functioning school which provides a broad curriculum to its students. With strength and wisdom drawn from God, we have responded to many challenges and have made significant gains. Our wonderful students are happy and have built strong bonds with each other and with their school. All have made significant gains in their learning and have grown in their faith and confidence.

We are very grateful for the support we have received from our partner school –Lighthouse Christian College Cranbourne- and our Executive Principal Mr Jacob Mathews.

Our planning for 2019 has already begun and we look forward to welcoming several new students to the College.

**Reminder –the school year ends on Friday the 14<sup>th</sup> of December, 2018.**

## **School Photos**

After several changes due to unforeseen events, our **school photograph day** will now be **Friday November 23<sup>rd</sup>**. Students will be required to wear their **full SUMMER uniform -Not sport uniform** on this day.

I have attached an options and prices list for photographs. This needs to be returned to the school by **Thursday 22<sup>nd</sup> of November** – with payment please so that the correct photographs can be taken of your children. If you would like to place an order, but cannot pay beforehand, please indicate on the order form. Payment must then be received within the week following the photographs –by November 30.

## **Annual Presentation and Concert Evening**

This will be held on **Monday December 10<sup>th</sup> at 6pm (to approx. 7.15pm)**. The presentations will be followed by a **BBQ dinner** for all our families combined with the cutting of the Graduation Cake by our Year 6 students.

There will be some concert items during our Presentation and we plan to include all students in at least one performance piece. (If for some reason, your child will not be attending please advise us beforehand so that we can adjust our planning.)

All students will be recognised during our Presentation function.

## **Book Covering**

We would like to thank all of those parents who have assisted with book covering throughout the year. While we still have more to go, your efforts have helped us greatly to build and operate our library. If you still have any books at home, it would be appreciated if those could be returned to the school before the end of the year.

## Library Books

Some students are advising us that they have misplaced library books and so are not able to return them. Some have been outstanding for quite some time. We would appreciate a check being made at home to see if Library Books might be on shelves, under beds etc, so that they can be returned to the school please.

## Reports

We have started working on end of year reports for each student. They will be in a slightly different format to the mid-year reports with students receiving A to E grades as indicators of progress and achievement.

Reports will be provided before the end of the year.
