25th March 2020

Dear Parents and Caregivers,

Following consultation with the school Board, it has been decided that, as from tomorrow, Thursday 26th March 2020, we will be closing the College to students. At this stage, we now only have seven students in attendance, with fewer expected from tomorrow.

We feel that we will be better able to support our great students if we focus on preparing work packages to allow them to work at home in a supportive environment.

We have already sent some work home via email. **Work packages for each student will be available for collection from the College office from next Monday.**

Students are expected to complete work that is sent home and then return it to school for teachers to be able to check for progress and problems. Some of the work may also be assessable.

Please be assured that, now the coronavirus is in Griffith, we are trying to act in the best interests of all students, their families and staff.

At this stage we would be planning to resume school after the normal school vacation period on Tuesday the 28th of April. If this changes in any way we will advise during the break period.

If you feel these arrangements will cause you undue difficulty, please contact Mrs Stone in our front office.

“When anxiety was great within me, your consolation brought me joy.”

Psalm 94:19

I would like to extend the best wishes of all the staff of the school to you and your family at this challenging time. We must all continue to pray for God’s help and look for ways that we can offer support to others.

Regards,

David Fox
Principal
Verity Christian College
