

May 2019

Hello Parents, Caregivers and friends of the College.

I hope that the copy of the Pathway finds everyone well.

Learning About Generosity!

Our focus in Chapel time over the last week has been on the character quality of Generosity. The students have been encouraged to always give consideration to others and to share the blessings that our Lord has bestowed upon them with those that are less fortunate.

From Proverbs 11:24-25

“One gives freely, yet grows all the richer! Another withholds what he should give and only suffers want. Whoever brings blessing will be enriched, and one who waters will himself be watered.”

And Proverbs 19:17

“Whoever is generous to the poor lends to the Lord, and he will repay him for his deed.”

Our First Athletics Carnival

This was held on Thursday 9th of May and was a great success. Our students entered into the day with enthusiasm and their involvement demonstrated the best traits of friendly competition. We have included with this newsletter, a photographic record of the day's activities. There are some great photographs of the children in action thanks to the efforts of Caleb Stone in capturing these special moments.

Results from the day's events have Hudson House in first place, followed closely by Murray House. There will be other opportunities to add house points as the year progresses with the Champion house being announced at our annual presentation evening.

My thanks go to all the parents, grandparents and friends of the College who attended and assisted on the day and to Mrs Badenhorst for her organisation.

School Fees

Please keep the payments of fees coming in as this money contributes to our purchase of resources and library books for student use.

School Uniform

Please ensure that your children are in appropriate school uniform each day. Being in uniform encourages students to feel pride in their school and to demonstrate that pride at a community level.

Lunches this Wednesday

We will not have access to kitchen facilities this Wednesday 22 May as there is a funeral in the Chapel. Please ensure that your children are provided with lunches that do not require any heating or other preparation on that da

Important Bus Reminder!!

Just a reminder that students who catch the bus MUST be ready and waiting. We have had a few delays of recent times, which delays the starting of Chapel and then puts the whole day a bit behind. If students could please be ready and waiting this would really help us pick everyone up quickly and efficiently! Thank you in advance for this!

TIMES TABLES!!

Times tables are an absolutely essential foundation of mathematics. Please encourage your children to practise. There are some fantastic apps available on smart phones these days. As teachers we can't stress enough how good it is to know your times tables!

Until next time, blessings to you all.

Kind Regards,

David Fox

Principal VCC
